OFFICIAL

REMARKS

Applicant has amended the claims of the present application to put the application in condition for allowance.

The Patent Office indicated that claim 17 was allowable. Applicant has amended claim 14, the independent claim from which claim 17 depended, to place the subject matter of claim 17 into claim 14. Claim 14 as amended requires "one or more pegs" instead of "four pegs." Claim 14 and its dependent claims 15-16 are now in allowable condition.

Applicant has also amended independent claims 1, 18, and 32 to contain the subject matter of claim 17 and thus claims 1-16, 18-28, 30, and 32-36 are now in allowable condition.

Applicant has cancelled claims 17, 29, and 31, without prejudice.

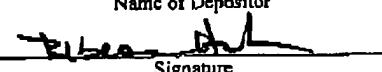

Respectfully submitted,
WITHROW & TERRANOVA, P.L.L.C.
